Guests of the Heavenly Spa by Westin must be at least 18 years of age. Salon treatments are available for guests under 18 with parental supervision

For the courtesy of our guests, cellular phone use is prohibited within the spa premises.

We request that all valuables are stored in your room or kept at home. The Westin and the Heavenly Spa by Westin are not responsible for lost, stolen, or misplaced items.

All spa treatment prices are subject to change without notification. Our spa team will assist you with any pricing inquiries you may have.

RESERVATIONS

We encourage our guests to schedule their appointments five to seven days in advance to ensure your preferred treatment or therapist is available. Preferences for male or female therapists should be requested at the time of booking. All reservations must be secured with a major credit and telephone number. To schedule your day, please call our spa front desk at 843.681.1019.

ARRIVAL & CHECK-IN PROCEDURE

For the optimal experience and to guarantee your service starts on time, we recommend that you arrive at least 30 minutes prior to your scheduled appointment time.

Please keep in mind that arriving late for a service may require us to shorten the length of the treatment, with full charges applied, so as not to inconvenience other guests. We regret that late arrivals will not receive extension of scheduled appointments. Give yourself plenty of time so you can enjoy the steam, sauna or women's whirlpool prior to your services. This will relax and warm the muscles, which will aid in the therapeutic benefits of your treatments and services.

CANCELLATION POLICY

Cancellations must be made 24 hours in advance of your appointment and 48 hours before any combination of services. A 50% charge will be applied to all late cancellations. No shows will be charged in full.

TREATMENT ATTIRE

It is customary to wear just your robe to your service. You will be given the opportunity to disrobe and cover yourself in privacy. Throughout your services, your body will be draped with linens and at no time during your treatment will you be fully exposed.

SHOWER

A quick shower just before your massage or treatment is relaxing and washes off any salts, sand, minerals or chemicals that could clog the pores when mixed with oils or other treatment products.

COMMUNICATION

Prior to the start of your service, tell your therapist the areas you would like to focus on, and any areas to be avoided. During your service, let the therapist know if you feel any discomfort. Communication is the key to getting what you want out of your experience. Keep in mind that all bodywork is similar to exercise in that, lactic acid and other toxins are released from the muscles. This may cause some soreness for up to a few days.

GRATUITIES

For your convenience, a 20% gratuity will be added to all services. Note, this gratuity is adjustable upon checkout, based on your satisfaction with services received.

RETAIL & ACCESSORIES

Take your spa experience home with a selection of unique and distinctive gifts. Share the experience with someone special with our custom gifts and spa packaging.

Gift Certificates are also available for purchase.
